

## Reading at Home

Hey everyone,

Here is some guidance when doing reading at home via the videos.

Normally at school, we have one reading book per night.

A few reading books have been uploaded for the following week to the link in the email. You only need to do one reading book a day.

- Open the Dropbox link. (if opening on your phone it may ask you to download the app but you can access it through the internet!)
- Open a video.
- Play the video and read along with the Múinteoir reading the video.
- Mute the video the second time and pause the video on each page, ask your child to try to read aloud. (if you aren't sure, unmute & check, then try again)
- Discuss the book, context, characters etc.
- Enjoy!

If you have any queries or questions please do not hesitate to ask!
